

Communication of the delay in submission of the Interim Financial Statements for the year ended December 31st, 2020 of MPC Caribbean Clean Energy Limited

Regrettably, the management announces a delay in the presentation of the Interim Financial Report for the quarter ending December 31, 2020. The delays in the preparation process are based on delays in the financial reporting in the underlying investment structure, dependant on partners from various jurisdictions.

The delay will be longer than previously communicated and therefore the publication date is presumed to be March 31, 2021. The management decided to accept the delayed publication for the sake of presenting the best quality of information and apologises for any arising inconveniences.

Yours faithfully

José Fernando Zuñiga Galindo, Director
